Paper 2 The Changing Economic World

Key Idea	Content	\odot	<u>••</u>	Revision Homewo rk	Independe nt Revision
There are global variations in economic development and quality of life.	Different ways of classifying parts of the world according to their level of economic				
	development and quality of life.				
	Different economic and social measures of development: gross national				
	income (GNI) per head, birth and death rates, infant mortality, life				
	expectancy, people per doctor, literacy rates, access to safe water, Human Development Index				
	(HDI). Limitations of economic and social measures.				
	Link between stages of the Demographic Transition Model and the level of development.				
	Causes of uneven development: physical, economic and historical.				
	Consequences of uneven development: dispari ties in wealth and health, international migration.				
Various strategies exist for reducing the global development gap.	An overview of the strategies used to reduce the development gap: investment,				
	industrial development and tourism, aid, using

Paper 2 Urban Issues and Challenges

Key Idea	Content	\odot	<u></u>	Revision Homework	Independent Revision
A growing percentage of the world's population lives in urban areas.	The global pattern of urban change.Urban trends in different parts of the world including HICs and LICs.				
	Factors affecting the rate of urbanisation – migration (push–pull theory), natural increase. The emergence of				
	megacities.				
Urban growth	LAGOS				
creates opportunities and challenges for cities in LICs and NEEs.	The location and importance of the city, regionally, nationally and internationally				
	Causes of growth: natural increase and migration				
	How urban growth has created opportunities:				
	Social: access to services – health and education; access to resources – water supply, energy				
	Economic: how urban industrial areas can be a stimulus for economic development				
	how urban growth has created challenges: Managing urban growth – slums, squatter settlements
