

14th February 2025

Dear parents, carers and families

Thank you for all of your support during what has been another very busy and productive half term. I am so proud of the excellent commitment and dedication to learning that our students show every day. Please see below for some key up-dates and notices.

Equipment

Thank you for your ongoing support to ensure that your child comes to school each day with the equipment they need. Please refer to the full list of required daily equipment on our website: [Liskeard School & Community College - Uniform & Equipment](#)

Standing up to bullying

We take bullying very seriously and do not tolerate it in any form. We always want to hear about any issues or concerns to ensure that they are robustly challenged and investigated. If you become aware of any bullying issues or would like to report any concerns, please use the Reporting Bullying tab on our website at the bottom of the home page: [Liskeard School & Community College - Home](#) There is also a Student Support Request tab available.

Staying safe online

We work really hard to teach students about staying safe online through our PSHE and character curriculum. We share a monthly online safety newsletter on our website for parents to access: [Liskeard School & Community College - Newsletters](#) Please do let us know if you have any questions or would like any further support.
