Headteacher: Mr D Wendon

1st June 2026

Dear parents, carers and families,

I am writing to let you know that I have been successful in securing a promoted post as Executive Headteacher of Stoke Damerel Community College and Scott Medical and Healthcare College in Plymouth. I will be taking up this new role in January 2027.

I am immensely proud to have worked alongside a truly extraordinary team of inspirational students and staff over the last four years. This new role is an exciting development opportunity for me, however I will be very sad to leave.

I intend to do everything possible to support a smooth transition so that the school's ambitious plan for student learning, belonging and success continues and flourishes. A recruitment process to appoint a new Headteacher will begin as soon as possible.

In the meantime, we have much work to do to support and inspire our incredible students! I am looking forward to leading the school with vigour and pace over the coming months. Thank you for all of your support, commitment and feedback – it makes a huge difference to our ability to provide the best possible education for the wonderful young people in our school community.

Yours faithfully,

Dan Wendon
Headteacher
