Dear parents, carers and families,

I am thrilled and delighted to be able to share with you our official published [Ofsted report](#).

I am very pleased to confirm that the school was rated Good in all areas. The feedback from the inspection team was extremely positive across all areas of school life and highlighted a wide range of points of strength and excellent practice. I would encourage you all to read the full report available today, either by following the link above or visiting the Ofsted website.

In summary, the Ofsted team noted in particular:

- 'a strong sense of belonging and community'
- 'pupils feel safe and benefit from positive relationships with staff'
- 'most pupils behave exceptionally well'
- 'the school are tenacious in their commitment to inclusion'
- 'pupils with SEND thrive in the school environment and are increasingly successful'
- 'the school has high expectations for pupils' achievement'

As a team of staff, we are exceptionally proud of the extraordinary efforts which students make to work together and individually every day. It is our students and our staff who make the school such a successful and productive place to be every day and it is very rewarding to have this recognised by the national body for school standards.

Thank you all for ongoing support and feedback. Please do not hesitate to contact the school if you have any questions or further feedback.

Yours faithfully,

Dan Wendon  
Headteacher
