

22nd November 2023

Dear parents, carers and families

I am very pleased to invite you to attend a Parent and Carer Information Evening on Tuesday 5th December from 18.00–19.30 hrs.

I am incredibly proud of everyone in the school community as we work towards success for all of our students. I would like to take the opportunity to reflect with you on the work we have done so far and share our strategic aims for the year ahead. I would therefore like to open the opportunity to all parents and carers to have a chance to hear about the curriculum, teaching, and pastoral support we continue to offer to students as we aspire to excellence. The event will consist of the following:

- A summary of the work we have done as school leaders, teachers and staff this year to support students to excel
- A summary of our strategic development plans for the year ahead
- An opportunity to ask questions and offer feedback

The presentation will be followed by an informal opportunity to meet with me and the Senior Leadership Team over light refreshments.

In order for us to cater for the event appropriately, I would be very grateful if you would let us know if you would like to attend by filling in this quick and simple online form:

Yours faithfully
