

STUDENT UNIFORM AND APPEARANCE POLICY

Date policy approved by Governors: 25/11/2025
Review date: 30/09/2026

Links to other relevant policies:
Safeguarding Policy
Relationships and Behaviour Policy

1. Introduction

This policy has been put in place to ensure that the School's requirements for student uniform and appearance are aligned with the revised Department for Education Guidance (Statutory and Non-Statutory 2021). This policy complies with the Human Rights' Act 1998 and Equality Act 2010 and takes into account key considerations such as safeguarding and health and safety.

Our governing body decides what the school rules are for student appearance (including uniform) and how the uniform should be sourced. We believe that our rules on uniform and appearance have a key role in promoting:

- The ethos of the school
- A sense of belonging, community and identity
- An appropriate tone for education

We believe that a consistent standard of appearance and uniform may act as a social leveller by creating a common sense of identity amongst students. It may reduce bullying and peer pressure to wear the latest fashion or other expensive clothes. Sixth Form students are required to dress in a way which supports the ethos of the school.

In reviewing and implementing this policy, Governors will take into account the views of parents and students when making any significant changes. Governors will also take into account:

- how the rules on uniform and appearance may affect groups represented in the school, especially those who share relevant protected characteristics (sex, religion or belief, race, disability, gender reassignment, pregnancy)
- how comfortable the uniform will be for students
- how practical the uniform is in classroom settings, including those where practical work is required
- that reasonable adaptations will be made for extreme weather (hot or cold)
- that the uniform is suitable for students who walk or cycle to school
- that a PE kit must be practical, comfortable and appropriate to the activities and affordable
- that the cost of the uniform does not place an unreasonable financial burden on families and would not, for example, prevent a child from a low income family from attending the school
- where reasonable and as far as possible, the environmental impact of the production and supply of uniform.

The school's expectations for uniform and appearance are therefore intended to be inclusive so that all students are able to wear the uniform and have the appropriate appearance.

2. Religion or Beliefs

Some religions or beliefs require conformance to a particular dress code; this could include wearing or carrying specific religious artefacts; not cutting hair; dressing modestly or covering their head. Students have a right to manifest a religion or belief, but not necessarily at all times, places or in a particular manner.

Where the school has good reason, it may lawfully need to restrict an individual's freedom regarding uniform and/or appearance. This may include, for example, the promotion of cohesion or good order, or genuine health and safety or for security reasons.

The school will act reasonably in accommodating the needs of different cultures, races and religions without compromising important school policies such as school discipline and safety.

3. Discrimination

In developing and implementing this policy, the school has carefully considered its obligations not to discriminate unlawfully.

This policy ensures that no particular group (including those with protected characteristics) is impacted unfairly as far as is reasonably possible. In some circumstances, e.g. for students with a disability, the school will make reasonable individual adjustments to the uniform policy.

4. Affordability

The cost of uniform should not prevent a family from applying for a place in our school or prevent a child from attending. The use of branded items within the School Uniform Policy has been kept to a minimum.

Second hand uniform items are available on request from the school. Parents wishing to request second hand uniform should contact their child's Head of Year. The school will accept donations of second hand uniform providing these are clean and in excellent repair. Parents wishing to donate uniform should contact Reception. The school recognises that second hand uniform extends the life of garments, reducing the environmental impact of uniform.

Uniform and rules on appearance will be reviewed every two years and frequent significant changes will be avoided as these may be expensive for families. Where significant changes are made, these will be phased in to allow students to continue to wear the old uniform for a reasonable period of time. This includes students in Year 11, for whom the purchase of new uniform items in the later stages of the academic year may not be cost effective for families.

The requirement to wear branded items of uniform has been kept to a minimum within our Uniform Policy and is limited to long lasting items wherever possible e.g. PE kit, tie and school skirt.

The majority of unbranded uniform items, e.g. socks, shirts, blazers and trousers, can be purchased from a range of retailers giving parents choice and value for money.

All school uniform items should be available as machine washable.

Care should be taken to ensure items purchased from non-approved suppliers meet the school's uniform requirements.

5. PE Kit

No student should be unable to participate in school sporting activities because of the cost of PE kit. Therefore, the use of branded items, and the range of different items of PE Kit in our Policy will be kept as low as possible.

6. Uniform Suppliers

Governors will review the school's uniform suppliers at least every 5 years. In reviewing the suppliers, Governors will take into account the affordability of uniform as well as its quality and durability. The uniform supplier will be required to publish and operate their own complaint procedure in order to manage any parental concerns.

Governors will take into account the accessibility of the provider, ensuring parents can arrange convenient ordering, collection/delivery of school uniform items. This includes the availability of an online uniform shop.

7. Hardship

Parents who are unable to afford school uniform for their child due to financial hardship should contact the relevant pastoral team for financial support from the school's Hardship Fund. Applications from parents with children joining the school will be prioritised as the School recognises that the cost of a new set of school uniform places a higher financial burden on families than the cost of purchasing individual replacement items. Applications for hardship funds must be made prior to purchase and are at the discretion of the Deputy Head or Headteacher, taking into account the availability of school funding to facilitate Hardship Funding requests.

Where available, the school will also offer clean, good condition second hand uniform in the correct size as an alternative to financial support.

8. Clarity

The school will ensure that its rules on uniform and appearance are clear and unambiguous and easily accessible to parents via the school website. This is to ensure that parents do not commit to buying costly uniform or, for example, costly hair styles or piercings, which are not acceptable to the school. The school will ensure that any 'optional' items of uniform are clearly designated as such, and will minimise the use of 'optional' uniform items. The school will also ensure that branded items, or those which have to be purchased from a particular supplier, are clearly indicated. Parents with a query about uniform or appearance should contact the school to seek clarification of the rules prior to committing to purchase. The school will review the wording of the uniform and appearance rules in response to parental queries where it appears that the wording is unclear.

9. Student Non-Compliance

All students are expected to comply with the school's rules on uniform and appearance. The school believes that all students should comply with these rules, and that non-compliance is unnecessarily disruptive to education. Students with incorrect uniform or appearance will be reminded by staff and expected to rectify their uniform/appearance immediately (where possible, e.g. by removing the jewellery or non-uniform item) or as soon as possible where the issue cannot be solved immediately. Incorrect items of uniform or jewellery will be confiscated for a period of time. Items will be clearly labelled and kept in a secure location in the pastoral Hub. This will be until the end of the ½ term at which point the items can be collected from the Assistant Head of Year, except in exceptional circumstances.

Items of school uniform are held in the pastoral Hub. Where incorrect or missing uniform is identified, students will be requested to change into correct uniform. An item of value will be requested from the student in exchange for the loaned item in order to ensure the item is returned at the end of the school day. Failure to return items of uniform will result in parents/carers being charged for replacement items. These costs will be added to ParentPay by the finance department. Contact with parent/carer will be made prior to charges being added to ParentPay. This will include a letter being sent to the home address.

Where a breach of uniform or appearance cannot be resolved in school, the student will spend the day in Reflection whilst the pastoral team tries to address the issue with parents/carers. A student may be sent home to change/correct their appearance if parental permission can be obtained. In line with DfE guidance, this is not an exclusion and the student's absence will be unauthorised.

Confrontational behaviour by students and refusal to follow staff instructions in response to staff requests to correct uniform or appearance is unacceptable and will be managed under the school's Relationships & Behaviour Policy. Students may be disciplined for breaching the school rules on appearance or uniform, in line with the school's Relationships & Behaviour Policy.

Where financial hardship has resulted in a student not complying with the school's published rules on uniform or appearance, then the school will take a considerate approach to assist the student and family to resolve the situation.

Where the school has made individual adaptations to the rules on uniform or appearance in response to a child's individual needs, e.g. a disability, then the school will ensure that all staff are aware. This includes, wherever possible, supply and temporary staff. This is to minimise the occasions on which a student is challenged about their uniform or appearance.

10. Concerns and complaints

In line with the Trust Complaint Procedure, parents with a concern about this policy or the implementation of the Uniform Policy, should first contact the school and seek to resolve this concern informally. Where an acceptable resolution cannot be agreed, parents should follow the Complaint Procedure, available on the school website. Hard copies of the Complaint Policy are available on request from Reception.

Appendix 1

Uniform and Appearance Policy

Introduction

All students are expected to be in full school uniform whilst at school and on the way to or from school. Students are ambassadors of the school, expected to uphold our values and Code of Conduct. Students and parents/carers are encouraged to recognise that students who are in lessons in incorrect uniform can undermine the aims and objectives of our uniform policy. Therefore, staff will always take action to support students in meeting the school's expectations.

A complete list of the items included in the school uniform can be found on the school's website.

Aims and objectives

Our school uniform is important to our school community. School uniform:

- promotes a sense of pride our school;
- creates a feeling of community and belonging;
- is a symbol of equality
- identifies students with our school;
- is practical and smart;
- is not distracting (as fashion clothes might be);
- is suitable for learning and good value for money;
- has been designed with health and safety in mind.

The Role of Parents/Carers

Parents are expected to fully support the school's Uniform Policy and its implementation. Parental support is very much appreciated by our staff and Governors.

Please note: the school's interpretation of uniform standards as applied to any student, is final and parents are respectfully asked for their support in this.

The Role of Governors

Governors ensure that the school uniform meets all national regulations regarding equal opportunities.

The governing body regularly reviews our Uniform Policy and delegates the implementation and management of the Uniform Policy to the Leadership team and the wider staff team.

Day to Day Management

The Leadership team with the wider staff team are responsible for implementing our school Uniform Policy. Tutors will address any issues as they arise during Morning Greeting and tutorial sessions. This is supported by teachers and support staff during lessons, breaktime, etc. Should an issue be more problematic or persistent, it will be referred to the Assistant Heads of Year, Heads of Year and Leadership Team.

For breaches of our Uniform Policy, staff will use professional judgement in issuing direction or sanction. This will include:

- Recording 'Ready to Learn' uniform infringement on Class Charts.
- Issuing sanctions for failure to wear correct uniform in line with expectations.
- Replacement uniform being lent to the student in the first instance by pastoral staff. This uniform must be returned at the end of the day. Failure to return loaned uniform will result in parents/carers being charged for the item via ParentPay.
- Where uniform infringements cannot be immediately addressed, for example where acrylic nails are worn in school and cannot be removed with the resources supplied by the staff in the pastoral Hub, students will remain in Reflection for the day or until the infringement is corrected.

- Students, will be supported by pastoral staff to adjust their uniform (e.g: the removal of makeup). Where students are required to change from inappropriate clothing, this will be done in a dignified and supportive manner.
- In exceptional circumstances, students may be given a fixed time period in which to rectify the issue (normally the next day)
- Students may be issued with a range of sanctions depending on the uniform infringement. This may include detention, a day in Reflection, Internal Exclusion or a fixed term suspension where there are repeated incidents or any confrontational attitude. The school will always seek to avoid sanctions by supporting students to make correct choices, and by agreeing solutions where appropriate.
- A student may be sent home to change into correct uniform, in consultation with parents. (Only a Head of Year or member of the Leadership team can authorise this). The school's interpretation of our Uniform Policy is final. Parents/carers are expected to support this and parental support is very much appreciated.

Non-uniform days

Non-uniform days are occasionally used to raise funds for charity/charitable causes. In these circumstances, standards of dress should:

- be safe and practical for school use.
- not promote unacceptable themes – drugs, violence, racism, etc.
- be appropriate for school and not revealing so that students can take a full and active role in learning.

Monitoring and review

When monitoring this policy, the Leadership team will seek the views of students, staff, parents, and Governors.

Major changes to the uniform will involve consultation with students, staff, parents and the governing body. Our Uniform Policy is reviewed by the Leadership team every two years.

Supplementary Guidance

ITEM	ACCEPTABLE	UNACCEPTABLE
BLAZER	Black blazers must be worn at all times in the school corridors.	Non-school badges attached to the blazer
FOOTWEAR	Flat, plain black, leather-type, polishable shoes	Air cushioning bubbles on black trainers Coloured laces or soles High heels Any logo/coloured trim Ankle/long boots, open toe shoes or flip-flops, suede shoes, canvas shoes

TROUSERS	Smart, black trousers only (Plain black leather belt if required)	Chinos, Jeans, Jeggings, Leggings, Cords Visible logo or brand names Stretchy or clingy material Fashion belts
SHORTS	Black tailored knee length shorts (Plain black leather belt if required)	Fashion trends, board shorts, baggy shorts or casual shorts Visible logo or brand names Fashion belts
SKIRTS	Black Liskeard logo Skirt, worn unrolled so the logo is visible.	Non logo, clingy, fabric style skirts
SHIRTS	Sky blue with collar (worn tucked into trousers/skirt)	Fashion blouses Visible logo or brand names
BLACK V NECKJUMPER (Optional)	Plain black V-neck jumper	Cardigans, sweatshirts or hoodies Round, scoop, square or slash neck Jumpers with visible brand names or logos
TIGHTS/SOCKS	Black tights to be worn with skirt (minimum 40 denier) Black socks	Patterned tights or socks Coloured or white socks Socks worn over tights Leggings
TIES	Liskeard School Tie (clip on)	

NB: All uniform items must be clean and in good order. Ripped or dirty uniform is not acceptable. For further information, clarification or questions about uniform please contact our Pastoral Team.

HAIRSTYLES – The school does not permit students to have ‘extreme’ haircuts or styles. This includes having hair dyed with colours outside the natural range of colours, including more than one natural colour. Shaved lines or patterns are not acceptable in school. The final decision with regards the definition of an extreme hairstyle is at the discretion of the Headteacher.

JEWELLERY – On health & safety grounds, we do not allow students to wear jewellery. The exceptions to this rule are one pair of stud earrings, small objects of religious significance, a watch. Any unauthorised jewellery will be confiscated and stored in the Hub. These items may be collected at the end of half term.

BODY/ FACIAL/TONGUE PIERCINGS – These are not permitted, including tongue bars and nose piercings. Students will be asked to remove any such piercings. Tattoos and body art are not permitted.

MAKE UP- We would prefer students not to wear make-up. However, if it is worn, it should be light and discreet. False eye lashes are not permitted in school.

Nail varnish - Nail varnish is not allowed in school. If a student comes to school wearing nail varnish, they will be asked to remove it with nail polish remover in the Hub.

Acrylic nails – On health & safety grounds, acrylic or false nails are not permitted in school. If a student comes to school with nail extensions, they will be offered acetone nail remover to remove them in school. If they are unable to remove the nails, the student will be isolated until the extensions are removed.

COATS/HATS/SCARVES – No coats, hats or scarves are to be worn in classrooms.

T-SHIRTS – No T-Shirts are to be visible under the school shirt. A plain white T-shirt may be worn.

TIES - Students wear a tie showing the Liskeard School logo. These are compulsory for all students: red for Years 7-10 and dark blue for Y11.

SCHOOL BAG - Students should bring a suitable school bag to school. A suitable school bag would be a rucksack style bag. Pouches, plastic bags, draw string bags or similar are not an acceptable form of school bag.

SCHOOL CLOTHING, EQUIPMENT AND BAGS - All school clothing, equipment and bags must be free of words, symbols or images which are inappropriate for school. This includes references to political groups, offensive slogans, swear words or references to drugs or alcohol.

As a visual guide, the following are examples of acceptable uniform. Please see the school website for more information: [Uniform and Equipment - LSCC](#)

LISKEARD SCHOOL UNIFORM SUPPLIERS
